

SDKEBOOST: 700W Brushless Power for Every Bike

SDKEBOOST works perfectly with the bike you already own — no need to buy new wheels, modify your frame, or compromise your bike's original look and feel.

It preserves everything you love about your ride: your frame, your setup, your comfort.

Just add SDKEBOOST, and your bike instantly gains electric power while keeping its original character.

Compatible with most popular bike types — **City, MTB, Road, Gravel, Folding, and Trekking bikes** — SDKEBOOST fits seamlessly into your lifestyle and your ride.
